**Work in Affinity X-** I have worked on Paper-culture project in which I need to edit Greeting cards for Christmas and New year.

**Work in eSpectra Sales Engineering Solutions :**

In this organization I have worked on Bio-render diagram project in which a very basic work flow provided by client through which I need to do research on how should be the Icons and the scientific illustration. I was run on to whole project. Besides that there were many task like Info-graphics (long and short), Social media post, Blog diagrams on which I have worked on. It was really the great experience working with eSpectra, I learned a lot through this organization.
